

What We Do

Sapphire Blue is a Managing General Underwriter that draws on its team's nearly 33 years of healthcare experience to design tailor-made, flexible, creative and account driven insurance solutions that address the evolving and complex risks faced by healthcare providers. In addition to traditional professional and general liability coverage, Sapphire Blue has a long history of developing manuscript coverage for complex accounts that require tailored solutions. Specialty coverage enhancements such as evacuation expenses, defense for adverse media events, liability exposures that may occur during acquisitions or mergers, and risk inherent in businesses with global facilities. We pride ourselves on having superior claims handling services and customized risk management.
